

Restitution des ateliers « Fresque du Climat »

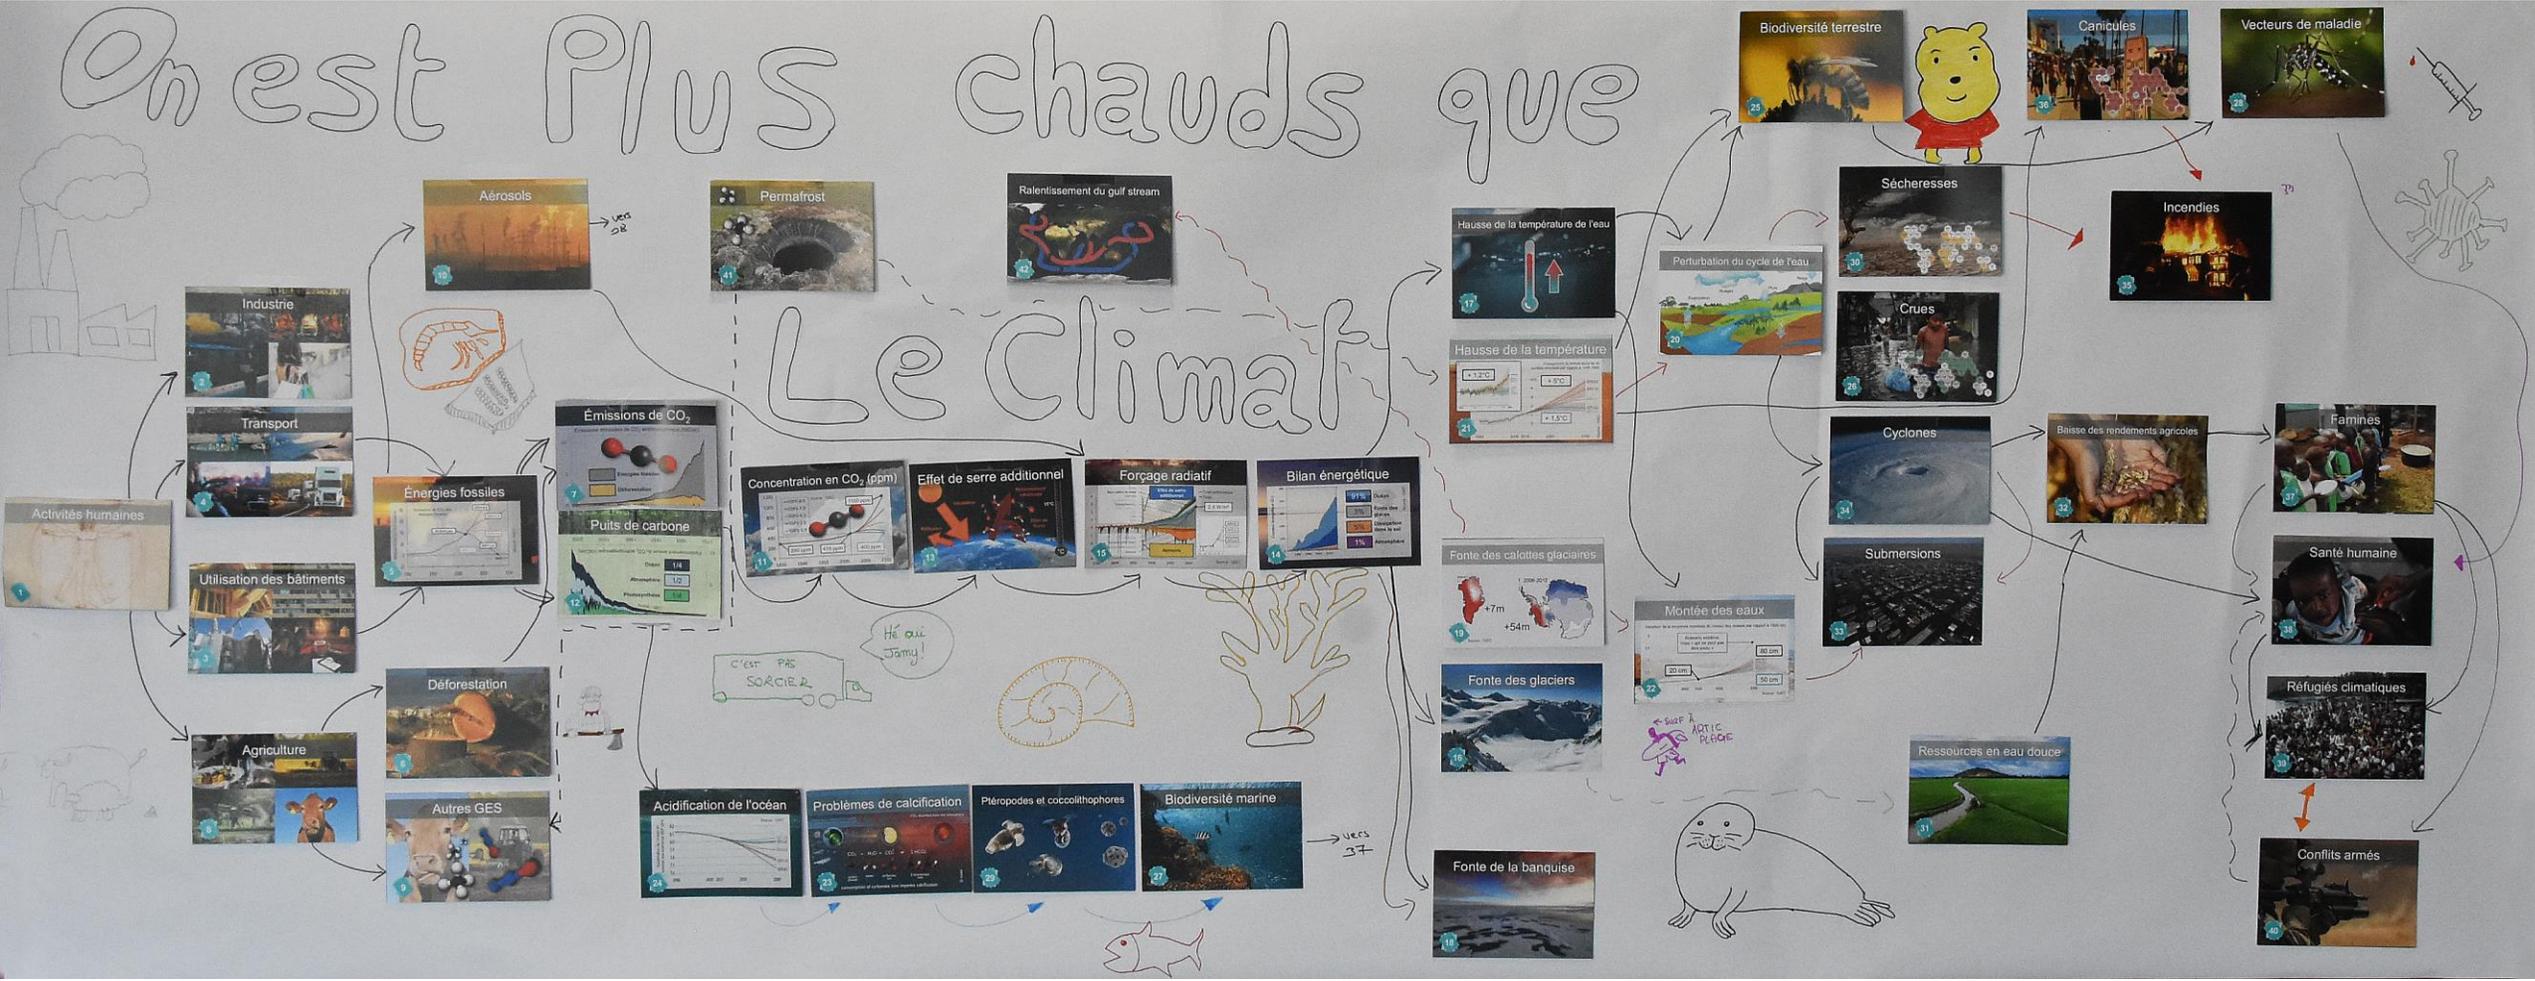

Élèves directeurs des services pénitentiaires

Mercredi 20 juillet 2022

On est Plus chauds que

Le Climat

A+ LE MONDE

Think Green

"Aujourd'hui, masque pour PROTÉGER, demain, masque pour RESPIRER."

"La mer est tellement chaude que les thons en boivent"

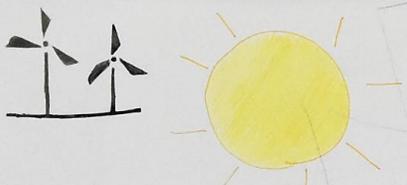

#Duck: IL FAIT CHAUD

"Pour de l'aigret, ils tuaient leurs vœux"

Dans le tour GREM

2022

ÇA CRAINT VACHEMENT

Et les gaz, regardez ça, les gaz et c'est chaud!

La vache qui pleure en se pas en fait d'fromage!

A la maison!

Les glaciers

Milieu abîmé

Des boues noires de niveau sans usages CO2

Les villes nouvelles

Les enfants Tintin

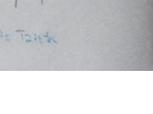

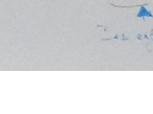

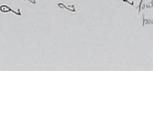

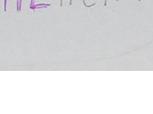

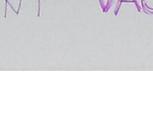

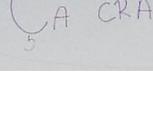

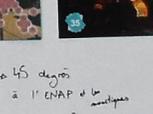

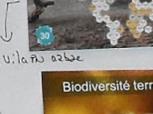

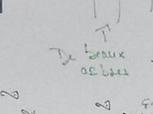

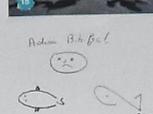

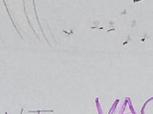

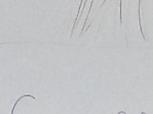

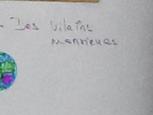

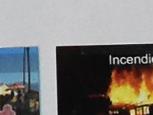

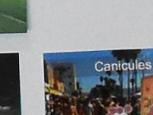

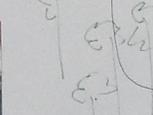

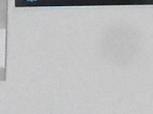

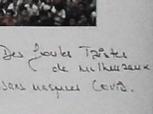

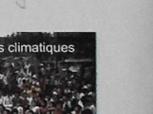

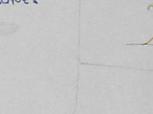

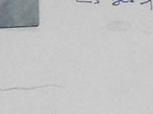

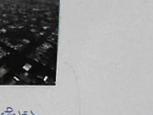

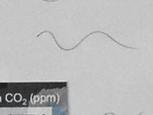

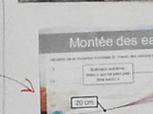

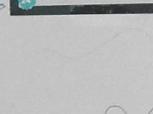

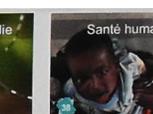

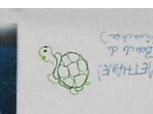

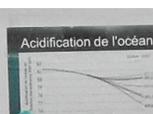

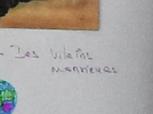

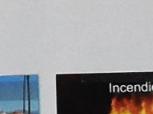

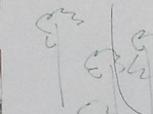

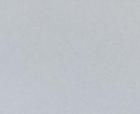

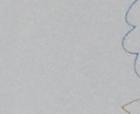

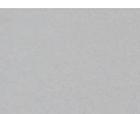

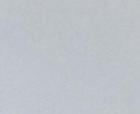

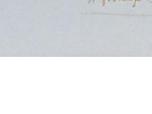

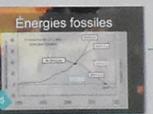

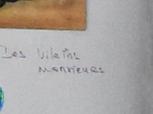

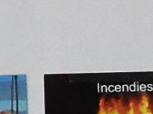

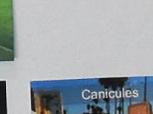

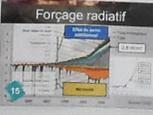

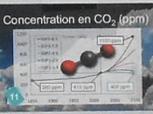

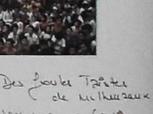

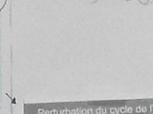

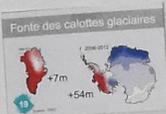

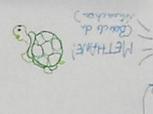

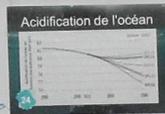

Le 45 degrés à l'ENAP et les montagnes

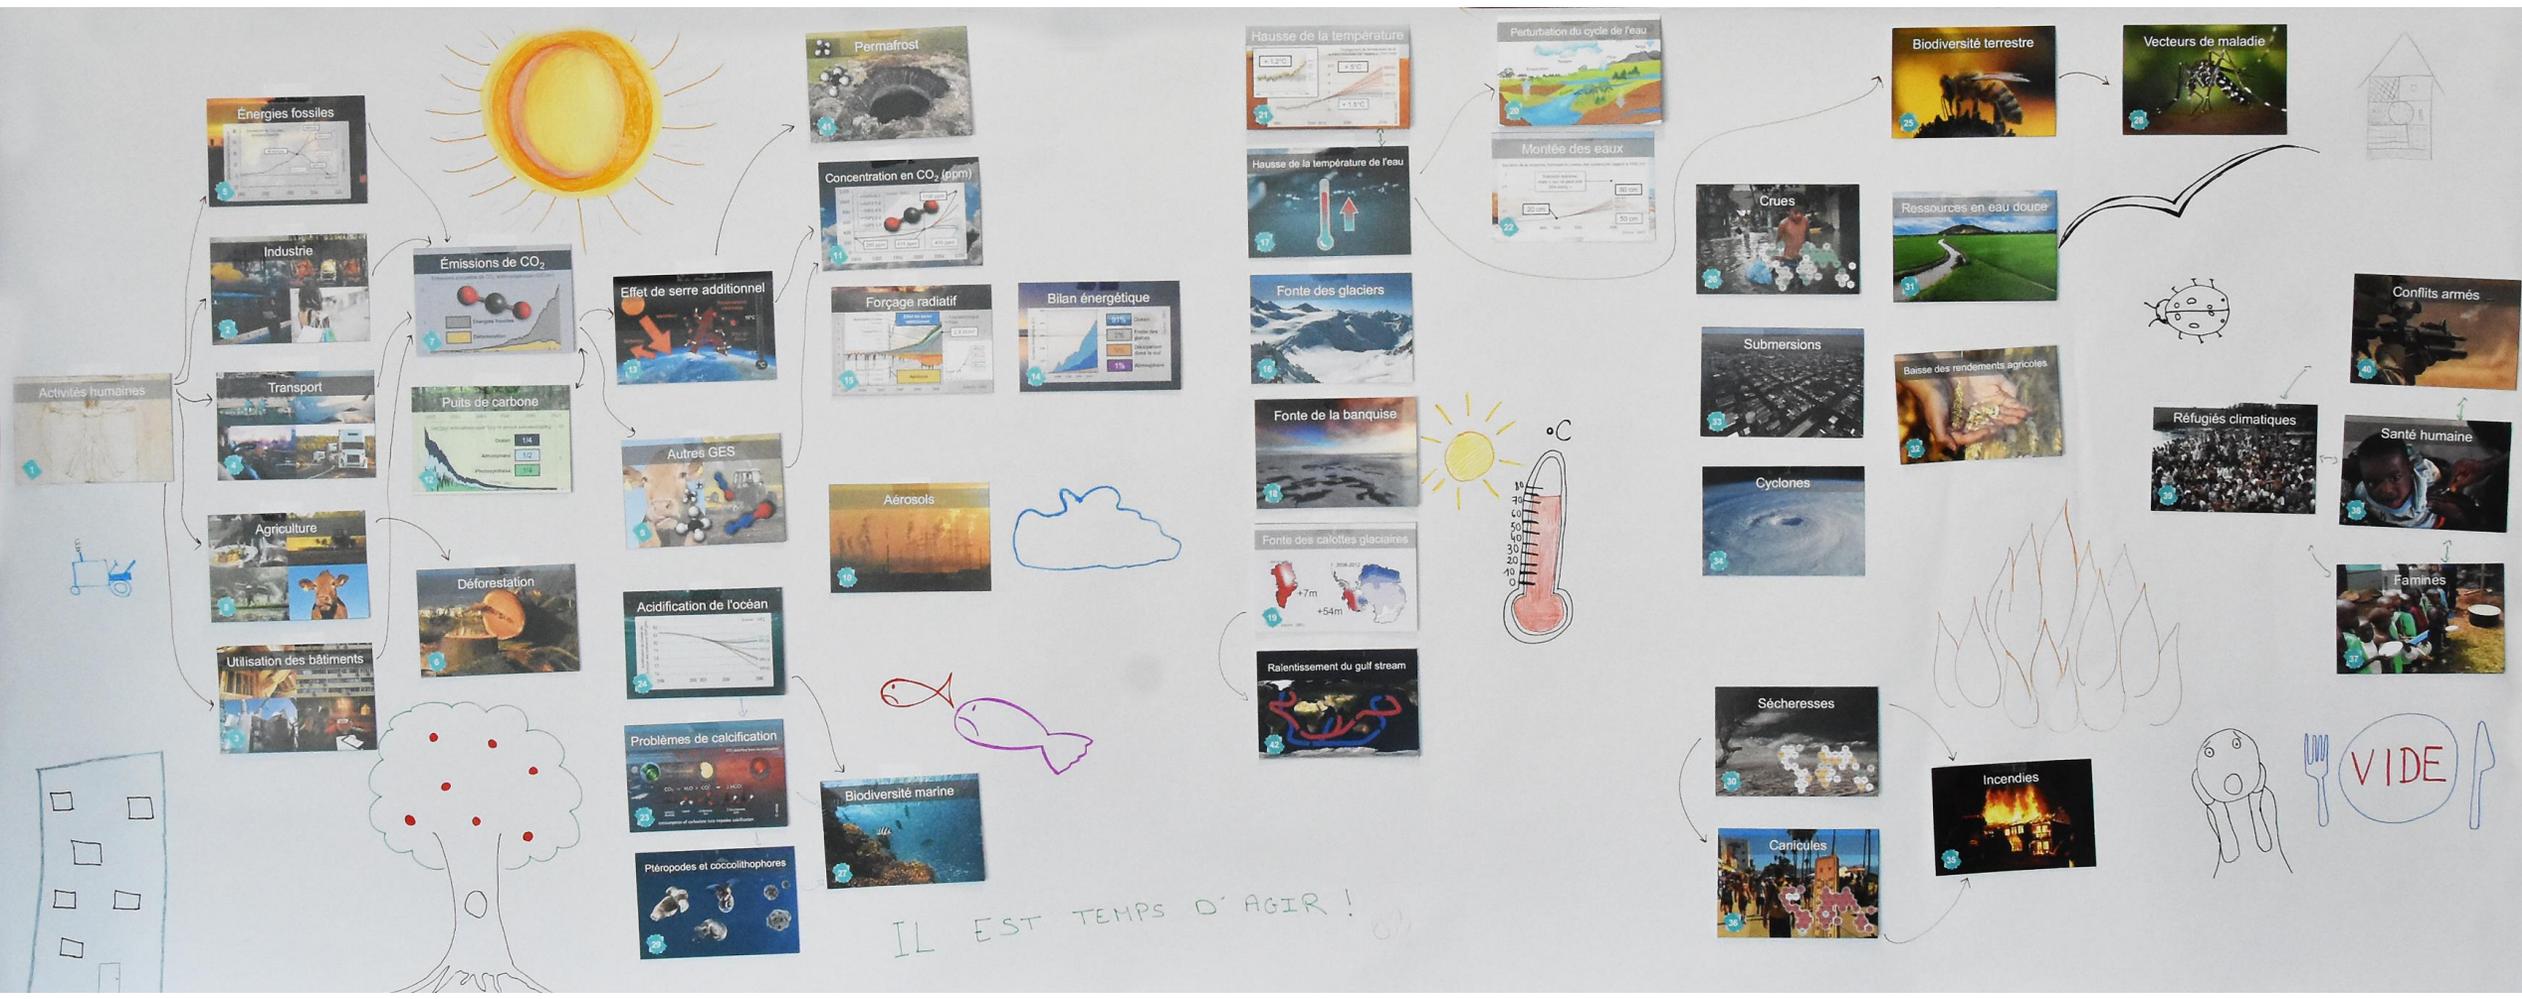

Le sud est à l'Emp

De l'eau acide

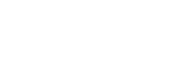

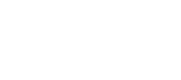

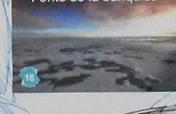

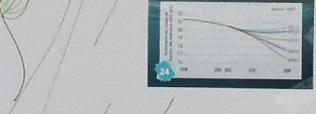

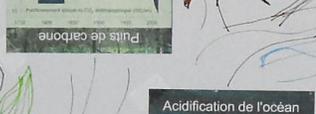

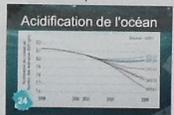

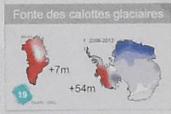

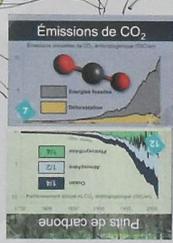

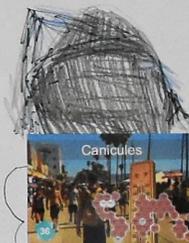

Milions de

Arctique B. H. B. C.

« Mieux vaut prendre le changement par la main avant qu'il ne nous prenne par la gorge »

Fresque de la Conscience

Juillet 2022
